Amazon.com: The Food Lab: Better Home Cooking Through ...
When I brought this book home from the library, I was expecting a Cook’s-Illustrated-style analysis of food science through recipes, perhaps with a little more flavor and panache than those guys seem to be able to manage. On first flipping through the book, I thought I got what I was looking for. The book design is pretty slick, with all kinds of offset colored boxes full of at-home ...
